

This document covers the following frequently asked questions:

1. How can I view itemized charges?
2. What is the amount due by the 15th of each month?
3. Making payments

How can I view itemized charges? You have two options:

1. Click on the statement to view a list of transactions for the month. If a reference number appears in blue, you can click it to see a detailed breakdown of the charge.
2. Alternatively, download the detailed statement by clicking 'Download' in the top right corner.

Food & Beverage		
+ Payments/Credits	\$0.00	

Support

What is the amount due by the 15th of each month? The amount due by the 15th is the previous month's closing balance. For instance, in June, you'll pay the May statement balance. You can find the exact amount in your monthly statement. Note that the 'Amount Due' in your statement may differ from the one in the house account overview, which shows your real-time balance."
